

The Square, Attleborough

Community Supported Living Service

Working in partnership with registered social landlord Inclusion Housing, Eden Futures brings to the sector 14 spacious purpose-built apartments in Attleborough, Nuneaton.

The Square is designed for working age adults who require support day by day to maximise their independence, to reduce their vulnerability or maintain their safety. Staff based on site will provide bespoke levels of support across the day to each individual.

Accommodation

Four of the seven ground floor apartments are wheelchair accessible apartments. There is access by stairs or a lift to a further seven apartments on the first floor.

Each one-person property has an open plan lounge/kitchen/diner and a separate bedroom & bathroom. The apartments are unfurnished however all white goods are supplied.

The apartments have their own front door; these open onto a shared hallway and stairs, leading to the secure entrance way.

The staff base, located near the entrance on the ground floor, enables us to provide bespoke 1to1 support. At night, the service users will share the benefit of waking night staff.

A pit and pager system is included as well as a concierge controlled access system. Additional assistive technology devices can be installed to meet individual requirements

Location

The service is centrally situated in the ancient village community of Attleborough, Warwickshire which has local shopping and amenities including a park, sports ground, churches, pubs. It is within 5 miles of our regional office which supports our existing services in Nuneaton and Coventry

A mile south of Nuneaton centre, Attleborough is well connected to Bedworth & Coventry by bus. Trains on the main line through Nuneaton go to Tamworth, Leamington Spa, Rugby, Birmingham and beyond

More than a home.

We are committed to promoting well-being as defined in the Care Act 2014 and supporting people to achieve:

Physical and mental health
and emotional well-being

Participation in work, education,
training or recreation

Meaningful contribution to society

Social and economic well-being

Personal dignity

Control of day-to-day life

Family and personal relationships

Eden Futures provide high-quality, person-centred care offering enablement for people with disabilities and support needs, through supported living. We specialise in the provision of care for a wide range of enduring mental health illnesses, Asperger's Syndrome, complex learning and physical disabilities, as well as autism and acquired brain injury
